## **Human rights in housing co-ops**

9 am to 12 pm, Grant Haddock, lawyer; Kerry Panter, facilitator

What would you do if this happened at your co-op? Anti-gay graffiti is on the co-op bulletin board. Membership interview questions include "how old are you?" You may think your co-op policies are neutral, but you may find they discriminate against some or all members. Learn how to comply with the provincial Human Rights Code—for board or membership committee members.

## **Frequently asked legal questions**

1 pm to 4 pm. Bob Milne, lawyer; Kerry Panter, facilitator

This is your chance to talk with lawyer Bob Milne. He has many years of experience. Topics will be largely up to you, but could include: New Rules—does your co-op really need them? What's the difference between associate and joint membership? What contracts should you refer to your lawyer before signing? What's the difference between conflict of interest and personal bias?
