The Community Housing Land Trust Foundation (CHLTF) believes people with disabilities and women leaving abusive relationships face many struggles which affect their quality of life. Affordable housing should not be one of them.

By supporting the CHLTF, you help the Domestic Violence Relief Fund (DVRF) and Disability Trust (DT) to provide interest free loans of up to \$2000 to qualified beneficiaries. You also help ensure that people with disabilities and women leaving abusive relationships have the choice to live in a housing co-op.

Thank you for helping us to maintain strong, supportive communities.
