

Larry LeSage

Greetings everyone.

I have been one of the island directors for CHF BC for one term and was re-elected last fall for a second term.

Shortly after being re-elected I moved from Washington Co-op to Oak Bay Kiwanis Co-op and as a CHF BC director was already living at Oak Bay Kiwanis I resigned as there can only be one director at a time from a housing co-op.

I strongly support CHF BC and the services they provide to our housing co-ops and the leadership role they are playing in the 2020 vision.

I welcome the opportunity to serve as chairperson/vice chairperson for our island council.

Regards,

Larry
