

More value than ever

Delivering education and support to members

- Continued raising the bar on co-op governance with Model Rules 2.0
- Led 50 portable workshops for almost 400 members at 40 co-ops
- Welcomed over 350 members from more than 90 co-ops to education conferences and Island education events
- Launched a new scheduled workshop series to better serve our members, including a webinar for co-ops at a distance
- Provided advice, support and chairing services at 91 meetings for almost 50 co-ops
- Answered hundreds of questions from members in every area of co-op governance and management

Members networked at Island Member Appreciation Evening in Victoria

"The CHF BC workshops are an invaluable tool for new and seasoned board members alike. There is always more to learn and ways to grow and develop as a leader and as a good co-op member."
