*Welcome to Trail*

**Valued CHF BC Member,**

Trail Appliances is proud to be part of the CHF BC team of specialized and dedicated contractors; this is a designation we have sought after for a number of years. We have worked closely with the CHF BC Directors and our Suppliers to determine a package of appliances specially designed to meet your apartment replacement needs. We are pleased to be able to offer these appliances at significant discounts. The pricing provided is specific to CHF BC Members and you will not see this advertised in any of our locations. We are saving these discounts just for you!

We have assembled a team of dedicated appliance professionals that are ready to assist with all of your appliance needs. Norm Turnbull, our Account Manager and Elizabeth O'Connor, our Builder Administrator, have extensive experience with apartment replacement and contractor sales. They have all of the tools to meet your expectations.

Trail Appliances prides itself on providing industry leading service. Now that we have been awarded the CHF BC contract for the next 3 years (and hopefully more to come), we have begun taking the necessary steps to take our level of service even further. This includes updating our website to allow for enhanced ordering capabilities.

We are very excited to be partnered with CHF BC and look forward to many years of successful partnership. Thank you in advance for choosing Trail as your appliance provider.

Sincerely,

Tony Goodale  
Builder Manager – Multi Family Division

## *History*

Trail Appliances is a family owned and operated business. We opened our first location in 1974 on Macleod Trail in Calgary and since then have expanded to 8 locations throughout British Columbia and 6 in Alberta, and 1 in Saskatchewan. Trail currently has over 20 Broderick family members working throughout all levels of the company. Our Trail “Family” is over 700 strong.

In the Lower Mainland, we have proudly kept all Sales, Delivery and Parts and Service roles in house. This has allowed for complete vertical integration and allowed us to monitor and control all aspects of our business. As a fully self sufficient company, we can ensure the customer experience is as efficient and seamless as possible.

We attribute our success and growth to the Trail way!

**T** – Trust. It is our goal to earn the trust of every client

**R** – Respect. Treat every client with the utmost respect

**A** – Allegiance. Build strong, long lasting partnerships

**I** – Integrity. Act in our clients best interest

**L** – Loyalty. Ensure our clients feel comfortable coming back to us.

We are the largest dealer in Western Canada for LG, Kitchenaid, Whirlpool and Bosch. We are also the largest dealer in Canada of Brigade, Miele, Dacor and Thermador. Combined with the over 40 brands we supply, allows us to obtain additional discounts from suppliers which we pass on to our clients. This has allowed us to be aggressive and offer CHF BC Members extended discounts of off the models listed.

Our showrooms are strategically placed throughout the Lower Mainland, Victoria and Kelowna. We offer a unique display with live, fully operation kitchens allowing the client to actually touch and play with the product before purchase.

Our apartment replacement specialists and dedicated Builder Team are available for training and information. If requested, we will visit your sites and help train individuals how to properly use our products.

Trail delivers to Kelowna & Westbank, however we outsource our deliveries to Kamloops, Penticton & Salmon Arm.	We understand the urgency in delivering appliances required for this region and because we have a great relationship with Van Kam & Canadian Freightways, we are able to accommodate such requests.

In the Lower Mainland, Vancouver Island & the Thompson Okanagan our drivers will uncrate and set your appliances in place, taking the packaging with them when they leave. Please ensure that exiting appliances are disconnected, emptied and that there is clear access into the unit prior to the truck's arrival.

Your new appliances will be uncrated and inspected for your approval on site. In the event of any damages, an allowance, repair or replacement will be arranged. Should you require removal of an old appliance, please indicate so on the order form.

### **Where to Find Model & Serial Numbers on Appliances**

#### Cooking Products

- Range: Inside the oven section, on the top edge, where the door meets the lip of the oven cavity or, inside the drawer, at the top of the frame surrounding the cavity.
- Cooktops: Underneath the unit on the back.
- Wall Ovens: At the top left or right of the inside rim, in front of the cavity.

#### Refrigerators

- Fridges: Anywhere at eye level to the left or right of the door in the refrigerator compartment.
- Bar Fridges: On the outside, at the back of the appliance, not displayed on the interior of the fridge.
- Wine Coolers: On the outside, at the back of the appliance, not displayed on the interior of the fridge.

#### Dishwashers

- Either on the top of the outermost surface of the cavern or on the right or left side, just inside the opening.

#### Ventilation

- Hoodfans: On the underside of the hoodfan, near the back.
- Hoodfan/Microwave: On the inside of the microwave, on the lip of the microwave interior doorframe.

#### Laundry

- Washers: Top Loader, on the underside of the lid or affixed centrally inside the tub rim & Front Loader, on the interior rim of the door.
- Dryers: Top Loader, on the underside of the lid or affixed centrally inside the tub rim & Front Loader, on the interior rim of the door.
- Stackers: On the inside of the dryer, on the side of the dryer door.

**Please Note:** Your new appliances come with a one year manufacturer's warranty against defects in materials or workmanship, unless otherwise specified in your product manuals. If your manufacturer's warranty has expired the service call will be subject to a diagnostic charge & any other applicable charges required to repair your appliance. If your appliance is covered under the manufacturer's warranty, but the service call is determined to be user error or customer education, a diagnostic charge will be issued. To avoid this, please read your use & care manual thoroughly prior to requesting service.

### Peace of Mind with Extended Product Warranty Coverage

If you've ever had to call for service on an out-of-warranty appliance you'll know that it can be costly. Even if you choose not to have the appliance repaired, there is still a charge for having a Service Technician come to your home.

With an extended warranty from Trail Appliances, you have of peace of mind, knowing that if your appliances need a helping hand, all you need to do is call us. We'll arrange a time to come to your home, diagnose and fix the problem, all at no extra cost to you. Choose either a one or four year extended warranty package, whichever best suits your needs.

Here are just a few reasons as to why you would benefit from an extended warranty:

1. Appliances have evolved and have more and more components that are costly to repair. Rest easy knowing that you are covered in the event of a breakdown.
2. All repair service for major appliances will be provided in-home by an authorized service technician.
3. Just one service call over the term of the warranty can virtually pay for the value of the warranty purchase.
4. Up to \$200 worth of food replacement if food spoilage occurs if your fridge or freezer breaks down (4 year plan only).
5. We'll repair your appliance and make it as good as new.
6. If there are three identical failures on a covered product after the manufacturer's warranty has expired, your product may be replaced or you will receive a prorated credit on the value of the appliance.
7. If you are planning on selling your home, coverage can either move with you or be transferred to a new owner.
8. If you are a Landlord and are renting out your home, this is an excellent way to protect your investment.
