

Century of Co-operation

The Co-op Housing Federation of BC's **Aging in Place Committee** is seeking nominations for the **Century of Co-operation Award**.

To be eligible for this award you must currently live in a CHF BC member housing co-op and your age plus the length of time you have lived in co-op housing needs to add up to 100 years or more.

Are you or do you know a potential candidate that would be eligible for this honour?

Here is how to calculate if you or another member would qualify for this award:

Member's age + length of time living in co-op housing (current co-op or other co-op) = 100.

For example, an 80 year old who has lived in co-op housing for 20 years qualifies with an even 100 years. **We will recognize everyone who achieves 100 years or more in 2016.**

Please send this form back to us by **October 17, 2016** with the following information (Please print):

Name of the co-op _____

Name of the member _____

Year of birth _____

Years living in co-op housing _____

What significant events have occurred during that member's time in their co-op?

How did the member become involved in co-operative housing? *(Please add a separate sheet if you need more space.)*

Please mail, fax, or fill in and scan this form and send by October 17 to CHF BC's Aging in Place Committee:
