## Membership terminations

*Thom Armstrong, Frank Corbett*

Evicting a member from your co-op is unpleasant enough. Don't make it worse by ignoring the proper legal steps. We will review what the Co-op Act and your Rules have to say about membership terminations. We'll also explain the difference between termination of membership and termination of occupancy agreement.

Come to this workshop if you want to know:

- the legal steps involved in terminating membership and occupancy
- how to avoid the most common (and expensive) mistakes
- how to decide which termination procedure to use
- what you can do to balance community and individual rights

Maximum of two members per co-op.

**Workshops sponsored by:**

The Canadian How-To People

## Workshop registration and materials

## Ask the lawyers

*Bob Milne, Frank Corbett, Moderator Kerry Panter*

Do you have questions about rules, policies, terminations, human rights, co-op contracts and more?

You'll want to spend the afternoon with lawyers Bob Milne and Frank Corbett. Bob and Frank have many years of legal experience and interesting scenarios to share about co-op legal matters.

You choose the topics. We invite you to send your questions to CHF BC in advance or bring them with you.

Let's see if we stump the lawyers this time!

Note: We'll want to cover as many topics as possible in the afternoon **Ask the lawyers** workshop.

If your co-op has termination issues please plan to attend the morning **Membership terminations** workshop.
