

Island Education Evening for co-op housing

Wednesday, January 20, 2016, 6:00 to 9:30 pm
Howard Johnson Hotel
4760 Elk Lake Road, Victoria

6:00 to 9:30 pm

End of operating agreements: the essential checklist

Many co-ops don't know how to start planning for the end of their operating agreements. How can we ensure that our homes and communities remain affordable and sustainable? How can we plan for a future with so many unknowns?

We can make things easier with our essential checklist of critical issues and options. We'll review current and future challenges and discuss how you can mobilize your members and other resources to tackle them.

We hope that you will leave the workshop feeling more knowledgeable and more confident that you're ready to help your co-op face the challenges of the future.
