

CHF BC FLOORING PROGRAM

Quality Control Form

Name of Co-op _____ Unit # _____

Dear Member:

We hope that you are happy with your new flooring. If there are any problems, please report them to the Flooring coordinator in your co-op as soon as possible, in order that we can arrange to have the installers correct them. Any problems that are not reported will become your responsibility.

Things to look for:

- bumps under carpet / vinyl
- loose carpet on stairs
- carpet seams should not be obvious
- edge of carpet should be firmly secured to the floor
- edge strips between carpet and vinyl should be secure

Please return this form to the Flooring Liaison by _____.
