

Working hard for you

Delivering education and support to members

- Celebrated 2011 as the *Year of Getting Governance Right* to highlight good governance
- Facilitated over sixty 2020 Compass meetings to help 17 co-ops complete a vision for their future
- Led 60 portable workshops with almost 500 members at 43 co-ops
- Attracted 310 members from 104 co-ops to our education conferences and Island education days
- Expanded the reach of our education services with webinars and web conferencing
- Provided advice, support and chairing services to more than 50 co-op meetings
- Answered hundreds of member questions in every area of co-op governance and management

Adding value to your membership

- Helped many members save more than they paid in membership dues
- Renegotiated our waste and recycling collection contract with BFI Canada
- Secured even better discounts for members in our group buying program
- Helped dozens of co-ops qualify for federal Renovation and Retrofit grants
- Improved the rate of return for co-ops in our popular CHIP programs
- Shared news and information with members

Speaking up for co-ops

- Continued to help leaky co-ops find solutions to their building envelope challenges
- Spoke up for co-ops in yet another federal election campaign

Building the community of housing co-ops in BC

- Expanded our energy audit and remained the only carbon-neutral federation of housing co-ops
- Launched the Co-op Energy Survey to all BC housing co-ops
- Announced a new partnership with Vancity and Terra Housing Consultants to secure financing for co-op upgrades and new co-op development
- Spread co-operation and fun at the Co-op Housing Summer BBQ in Vancouver and at our office Open House in Victoria

CHF BC board of directors

Value for member dues

At CHF BC we work hard to make sure you get value for your membership dues.

First 2020 Co-op

Connaught Housing Co-op in Vancouver is Canada's first 2020 Co-op.

Co-op Housing BBQ

CHF BC members shared in the fun at the annual Co-op Housing BBQ.
