### Who is Encasa?

Encasa Financial Inc. (Encasa) is a registered Investment Fund Manager, created specifically to manage the investment of pooled capital reserves of non-profit and co-operative housing providers.

Newly available in BC, the Encasa Social Housing Investment Program manages three low-fee investment funds (short-, medium-, and long-term) with PH&N Investment Services as distributor and portfolio advisor.

CHF BC is a co-owner of Encasa, in partnership with CHF Canada, the BC Non-Profit Housing Association and the Housing Services Corporation (Ontario) - an investment program created by the sector, for the sector.
