## “LEGAL DUTIES OF DIRECTORS”

Thursday May 9, 2019  
6:30 pm to 8:30 pm

- How do the duty of care and the duty of loyalty impact on good governance and principled leadership in our housing co-ops?
- What does “acting in the best interest of the co-op” really mean?
- What is a conflict of interest and how do we navigate those grey areas when it’s not so clear?

Join us for a close look at where principle meets reality. We’ll look at some tough examples and explore some best practices for handling them.
