

## Education Committees – Seeking interested members for 2020!

Are you passionate about education for housing co-op members? Would you like to offer your insights and experience to support CHF BC's education program? We are seeking members interested in joining us over dinner on two or three occasions in 2020, either in the Lower Mainland (Vancouver office) or on Vancouver Island (Victoria office).

Both education committees (mainland and Vancouver Island) are standing committees of the CHF BC Board of Directors.

The purpose of the education committees is to:

1. Review education program activities,
2. Support current and upcoming education program initiatives, and,
3. Advise on the needs of the co-op sector.

How often do the committees meet?

Two or three times between January and December, 2020.

Where do the committees meet?

The Mainland Education Committee meets in our conference room at 220 – 1651 Commercial Drive.

The Island Education Committee meets in the conference room in our Victoria office at 301 - 821 Burdett Avenue.

If you are interested in joining one of these education committees [please complete an expression of interest](#) on or before January 10, 2020:
