## “MEMBERSHIP TERMINATIONS”

*CHF BC Office: #220 – 1651 Commercial Drive, Vancouver*

**Wednesday February 26, 2020  
6:00 pm to 9:00 pm**

The easiest way to deal with membership terminations is to implement strategies that help to avoid them! That’s where this workshop will start. However there are times when your co-op board has to terminate a membership for the well-being of the co-op and the other members.

Come along to:

- Learn about the basic legal framework,
- Be able to identify the conditions for successful membership terminations,
- Review the necessary steps and procedures with accompanying forms and templates, and,
- Be able to ask questions about specific situations.

**Workshop facilitators:** *Geoffrey Dabbs is a founding partner of Gehlen Dabbs Lawyers and has been providing legal services to housing co-ops for 29 years, advising on various matters, including rules and occupancy agreements and membership issues, membership terminations and related litigation, as well as governance issues and building envelope and other types of refinancing.*

**Fee:** \$75.00 to \$85.00 per person
