Honouring the **Past**
Shaping the **Present**
Building the **Future**

BELONGING

Building Better Relationships with CHF Canada's Reconciliation Toolkit

This engaging workshop hosted by CHF Canada walks you through their reconciliation toolkit and explains why reconciliation is important for co-ops.

Reflecting on our Ongoing Justice, Equity, Decolonization and Inclusion Journey

We'll unpack the journey that one housing co-op has been on with an equity consulting group, examining their policies and procedures.

The Silent Treatment: Elder Abuse and Neglect

Tackling Elder Abuse & Neglect issues with tangible information on spotting the warning signs and how to respond.

Accessibility For All: What it is and Why it Matters?

In this two-part workshop, explore new ideas and discover concrete actions for creating a barrier-free environment, ensuring co-ops are inclusive communities.

Morning Plenary 40 Years of Navigating
Challenges Together – So Far, So Good...

Afternoon Plenary Looking Ahead –
The Social Impact of Housing Co-operatives

GOVERNANCE

Ask the Lawyers

Bring your most challenging questions to our team of experienced co-op lawyers.

Board Diversity

Reflect on the importance of having diverse boards and explore ways to navigate diverse opinions around decision-making tables.

Membership Terminations

Learn about the basic legal framework, identify the conditions for successful membership terminations, and review the necessary steps and procedures.

Cannabis in Co-ops

We'll discuss nuisance issues, no-smoking rules, edibles, unit damage, and how to balance the rights of cannabis consumers with those of non-consuming neighbours.

SUSTAINABILITY

Beyond the Balance Sheet

Rethink your co-op's finances to connect the balance sheet to the mission, vision, and values of your co-op.

Keeping Sustainability at the Heart of Your Co-op

Exploring how to keep sustainability at the heart of your co-op homes including policy, practical actions and more.

Reviving Neighbourly Social Connections as COVID Restrictions Ease

Learn approaches for building social connectedness and resilience.

Disaster Preparedness: From Panicked to Prepared!

Learn how to prepare for natural disasters as a community.

Join us **online** or
in person for our first
ever hybrid event.

**Limited space for in person participants*

Saturday
April 23, 2022
9 a.m. – 4 p.m.
