It includes support for a single secret ballot election.</i></p> <p style="text-align: right;">Estimated total (before GST) \$ 380.00</p>
<p>FULL MEETING PACKAGE (2-hour main session, with Host and Technical Support Person), no election</p> <ul style="list-style-type: none"> - Meeting setup and administration - Host - Technical Support person 	<p style="text-align: center;"><i>This option is well suited for larger meetings where there might be a lot of participation and an ongoing need to monitor chats. This option does not include an election.</i></p> <p style="text-align: right;">Estimated total (before GST) \$ 345.00</p>
<p>MINIMAL MEETING PACKAGE (2-hour main session, Technical Support Person, no Host), no election</p> <ul style="list-style-type: none"> - Meeting setup and administration - Technical Support person 	<p style="text-align: center;"><i>This option may be appropriate for small, straightforward meetings (NOTE : this option is only available for town hall meetings or meetings with co-ops that have fewer than 65 members only)</i></p> <p style="text-align: right;">Estimated total (before GST) \$ 225.00</p>

NOTES

- * Listed meeting packages are examples. If you have special requirements, please let us know and we'll provide a quote. If your precise requirements aren't included above, the examples still provide good guidelines.
- * Consultant hourly rates are fixed but are periodically reviewed.
Additional hours will be billed at \$35/hour for Election Support people and Technical Support people.
Additional hours will be billed at \$40/hr for a Host.
- * CHF BC's chairing service is treated separately (as it isn't tied to virtual meetings) Please review the Fees table under Education services for more information.
- * Additional practice sessions, where requested by the co-op, are billed at the combined hourly rate of the Consultants involved.
- * Costs listed are for members only. Non-members, please inquire directly to members@chf.bc.ca. Anticipate costs that are twice those of member rates.
- * Different sized events will have different needs. A 60 participant AGM would likely need both Host and Technical Support person.
- * Costs listed are before GST. Invoices will show 5% GST added.

** Additional elections (run-offs, or multiple decisions to be polled through secret ballots with dedicated Electronic Voting Platform -- needed for electing board members) would trigger additional fees for use of the dedicated Electronic Voting Platform.
