The Co-operative Housing Federation of BC (CHF BC) works to support the community of housing co-ops in BC. The purpose of the CHF BC Scholarship Fund is to support the educational goals of co-op members, particularly young co-op members who are already making a contribution to their communities. Our goal is to invest in the future of housing co-ops by supporting the education and development of young co-op and community leaders.

Summary

The video features the CHF BC Scholarship Program, which is now in its fifth year. The program offers scholarships to co-op members pursuing post-secondary education. The recipient of the scholarship in grade 12 credits the scholarship program for changing her post-secondary education and helping her become successful. The program is thankful to HSBC for providing the scholarship and supporting co-op members pursuing higher education.
